## DEAR CUSTOMER

**Please note: prices shown are based on the average time required to carry out these specific repairs. All prices quoted include any oils, greases and other fluids required to complete the job.**

**Any further time taken will be charged at £40 p.h**

**There are NO additional costs if a customer supplies his or her own parts for a repair.**

Please remember all repairs that are not collected within 4 weeks of the nominated pick up date will be sold to recover all costs incurred.

**Storage charge is £1 per working day past collection date. You have been warned.**
